# Q&A

Q: What sets Solutions Office Suites apart from others?

A: We have the knowledge, resources and relationships that will allow your company to thrive. Instead of worrying about traditional office needs, you can concentrate all of your efforts on what you do best – serving your customers.

Q: Aside from general office needs, are there any other services that Solutions Office Suites can offer?

A: We can help you with much more than your basic office needs. Our talented network of local professionals is available to help with all of your behind-the-scenes needs including tax planning, IT, legal advice, accounting, marketing, financing/banking, business plan development and much more. Our goal is to provide you with every resource you may need to start and sustain your business.

Q: Is Solutions Office Suites based here in the Tampa Bay area?

A: Yes, Harrod Properties, Inc. developed the concept locally. Harrod Properties, Inc. was founded in 1990 by Gary Harrod, a well-known developer with experience building over 20 million square feet throughout Central Florida and Texas. The Harrod team of professionals has extensive experience working with businesses from a wide variety of industries and sizes.

Q: What are the advantages of Solutions Office Suites?

A: Solutions Office Suites is designed to meet the office needs of any company in any industry by offering reliable business solutions 24/7. As your needs change, we change with you. You can always increase or decrease the level of service or amount of space you need. We proudly offer a variety of options to fit your needs; we even include short-term agreements from one to three months. Simply put, we are here for you and your business – today, tomorrow and into the future.

Q: How fast can we be up and running?

A: With the flexibility of Solutions Office Suites, you can be up and running within days. We have the space available and the resources ready to support your business.

Q: What business assets are available through Solutions Office Suites?

A: Basically, we cover everything you need to conduct business from the day you arrive. Unlike some executive centers, we pride ourselves in the fact that we truly are turn-key ready for your business. This includes everything from mail service and personalized call answering to the latest information technology, customizable telecom and color copying and scanning.

The resources you need.  
The support you demand.  
The success you deserve.
